

Dreams Tasting

Saturday, April 29, 2017

Westin Waterfront Hotel Boston

Ever paid hundreds for a booth at an event only to spend the entire time trying to drag people from the aisles with the hopes to make a sale? Want a better way to market to your potential customers?

The DREAMS TASTING EVENT is a revolutionary concept in the event industry where women will fully experience what your company is all about in a supportive fun environment. Break off from the norm of lectures and pamphlets for an opportunity to create a personal and and memorable experience for **over 1,000 attendees.**

Make your brand/service unforgettable by being part of a new way of marketing. Women will experience their dreams in action, making them more likely to become your long-term customers while they spread the word to their friends and family.

**ONLY
\$500**

- ★ Gain customers in an experiential way with a true partnership with our company that will help your business expand.
- ★ Opportunity for private events at your place of business with our extensive network.
- ★ Access to our attendees' emails for pre and post engagement.
- ★ Your business featured on our website (with backlinks), blog, social media promotions, publicity, and day of event (program, signage, etc.)
- ★ Access to registered users through our mobile application
- ★ Ability to market your company beyond the one-day event.

Sign-up today to guarantee your brand / service's association with the belief that women have the right to go after their personal dreams, be selfish, feel decadent and to make time for themselves.
